

RIVER VALLEY FUTURES

Volunteers Wanted

Volunteers will gain skills in event planning and marketing, and will also have the opportunity to learn about conservation and the biodiversity of the area. They can also gain nationally recognised certificates for volunteering and the John Muir Award for conservation.

The group meet weekly on a Wednesday evening to plan monthly events for the whole community.

Groundwork Oldham & Rochdale, with funding from United Utilities and national volunteering charity 'v', are delivering this River Valley Futures project in partnership with Oldham Council and Manchester City Council to improve the area of Moston Brook and encourage more people to use it.

If you are aged 16-25 and interested in joining MBEET on either a regular or one-off basis, please contact Sophie Heywood or Rebekah Beresford on 0161 624 1444 or sophie.heywood@groundwork.org.uk
